

Geminus - i

Dual Interchangeable Head Vacuum & Clamp Assisted Table

Geminus - i ✓

Dual Interchangeable Head Vacuum & Clamp Assisted Table

Compatible with the Valiani award winning Interchangeable Heads system

Ideal for 3D items with the m3 packaging creator software and over 350 adjustable templates

Driven by the accurate and multi purpose Future Mat Designer® software

Highlights

The first dual head vacuum & clamp assisted cmc with Interchangeable Heads. Choose the best cutting/scoring head for 'your' project...without any interruption .

Vacuum and Clamp combination offer unparalleled accuracy, reducing waste and improving efficiency.

Robust construction and supreme speed for production 24 hours a day, 7 days a week

1. Easy and independent adjustable blade depths on each head. **2.** Digital electronics coupled with linear bearings ensure precise cutting paths and perfect results. **3.** Heavy duty and robust cutting head and mount. **4.** Powerful, quiet micro stepper motors effortlessly drive the cutting head. Components of the motor, the motor pulley and belt can be seen through the clear cover.

Button Clamps

Full hardened steel button clamps. Choose the best clamping system for your project.

5/6 Vacuum only (optional button clamp as guide).

7/8 Combination vacuum and button clamp.

2 heads

Choose the best combination for your project. 2 simultaneous tasks, without stopping.

42

Possible cutting combinations. Other machines on the market offer just 2.
